Changes Report
Significant changes to projects since last report.**

NUMBER	SHORT TITLE	DESCRIPTION
95093-330-WS	Special Waste [330.2, 136]	<u>Municipal Solid Waste/Special Waste</u> THE MANAGEMENT ISSUES OF SPECIAL WASTES ARE NOW BEING ADDRESSED AS PART OF THE CO-DISPOSAL ISSUES OF INDUSTRIAL AND MUNICIPAL SOLID WASTES. INVENTORIED 7/3/97. Update of the special waste definition and placement of current special waste evaluation criteria into the rule. Chapter 330, 330.2, 330.136 (H. Mendieta/239-6694)
95110-330-WS	MSW Landfill Rules	<u>MSW Landfill Rules</u> RULE CHANGE NO LONGER PURSUED BY PROGRAM STAFF. PROGRAM ORIGINALLY REQUESTED RULEMAKING. This rulemaking will eliminate inconsistencies and redundancies in the rule, and will restructure the rules to aid in clarifying the MSW permit process. Chapter 330. [Subchapters A, B and E] (W. Lee/239-6815)
96134-324-WS	Used Oil Financial Responsibility	<u>Used Oil Financial Responsibility</u> THIS RULE IS BEING INVENTORIED BECAUSE THE ISSUES IT ADDRESSES WILL BE ADDRESSED UNDER RULE LOG #97141-324-WS CONCERNING THE USED OIL PROGRAM RULES. Used oil standards relating to financial assurance, as a follow-up to the promulgation of the used oil standards under original rule log number 95011-324-WS and in accordance with state legislation under SB 1683. [324.11, 324.21] (R. Austin/239-6814)
96147-032-AD	Transfers for Permits, Regis., Authoriz.	<u>Transfers for Permits, Registrations, and Other Commission Authorizations</u> At the request of staff, the Commission remanded this proposal to staff so that staff, along with members of the regulated community, may revise the definitions. The proposal was withdrawn from the Texas Register and will be reproposeed at a later date. This rulemaking will consolidate agency process and notice requirements for transfers of permits, registrations, and other authorizations. [Chapters 70, 116, 291, 293, 297, 303, 304, 305, 312, 321, 330] (C. Collins/239-0389).
96177-321-WT	Discharges from Small Domestic WW Fac	<u>Discharges from Small Domestic Wastewater Facilities</u> THIS IS BEING INVENTORIED AND WILL BE ADDRESSED AS PART OF THE GENERAL PERMITS RULEMAKING (LOG #97151-205-WT). The proposed rule would authorize discharges from small domestic wastewater facilities through registration instead of individual permit renewal. Permits with an average flow of 100,000 gdp or less would be allowed to apply for registration. [Chapter 321] (C. Kim / 239-3670)
96178-305-WS	Permit Amendments and Modifications	<u>Permit Amendments and Modifications</u> THE PROPOSED CHANGES TO MINOR PERMIT AMENDMENTS AND MODIFICATIONS ARE NOW BEING CONSIDERED AS PART OF THE PROPOSED CHAPTER 31 ON CONSOLIDATED RULES FOR PERMITS, REGISTRATIONS, AND OTHER AUTHORIZATIONS (96168-031-AD). The proposed rule would provide a definition and process for minor permit amendments and restrict modifications to listed items. [Chapter 305] (B. Christian/239-1760)

Changes Report
Significant changes to projects since last report.**

NUMBER	SHORT TITLE	DESCRIPTION
97121-335-WS	Annual Facility Fee	<u>Annual Facility Fee</u> Inventoried 6/11/97: Technical staff is still working on the impacts this rulemaking may have on all affected facilities. The intent of this rule change is not to increase the facility fee, however the change in calculation may result in a minimal increase or decrease in the facilities' annual fee. Therefore, at this time, staff will not move forward with this rulemaking until all impacts are investigated. (The proposed rule would provide for the calculation of the facility fee for land-based units on a volumetric basis (cubic yards or acre feet) versus surface acre. [Subchapter J/Chapter 335]) (R. Pizarro/239-2588)
97160-115-AI	Coastal Petition	<u>Coastal Petition</u> This petition requests a revision to Chapter 115 to relax the emission standard for vapor recovery system vents at gasoline loading terminals. Staff recommends denial of the petition, but inclusion of compliance procedures for flares in future rulemaking. (R. Hamilton / 239-1512; July 18-August 4 - B. Cameron/239-1495)
95019-297-WT	Water Rights	<u>Water Rights</u> THIS PROJECT WILL BE ADDRESSED AS PART OF THE RULEMAKING TO IMPLEMENT THE WATER RIGHTS PROVISIONS OF SENATE BILL 1 (RULE LOG #97146-297-WT). INVENTORIED 7/2/97. Provides definition and clarification for terms and provisions used in rules relating to review and action on applications for new and amended water rights. This is being done in connection with the development of a <i>Regulatory Guidance Document</i> for water rights, will assist the Trans-Texas Water Program, will facilitate implementation of the State Water Bank, Senate Bill 1031 (1993), and will complement the State Water Planning process. The completion of this rulemaking has been extended to October, 1997 in order to incorporate possible legislative changes from the 1997 legislative session and adoption of state agency consensus policies in the 1997 Texas Water Plan. (J. Kowis/239-4705)
